

Following the retirement of some long-standing Trustees, Chelmsford Counselling Foundation, (a registered charity), is looking to recruit three new people to fill these important roles.

CCF is a well-established organisation (founded in Writtle in 1974) and offers a counselling service to clients from a building in Cedar Avenue, Chelmsford, and, since the pandemic, on-line and by phone as well. It also runs highly respected courses in psychodynamic counselling.

The foundation is looking to appoint:

1. A Chair of Trustees
2. Someone with financial experience to act as a Finance Trustee
3. A person with an interest in the work of the Foundation to help lead the organisation into the future.

If you would like to be considered for one of these honorary positions, please see the website for more information about the work of the foundation.
